

**Finance and Investment Committee**

General Description

This standing committee advises the Board on the management of the Society's assets.

Composition

The current Treasurer serves as the Chair. The other members are the President and Vice-President, the Western Archives Institute Administrator (as the financial officer for WAI), the Development Committee Chair, and one SCA member-at-large appointed by the Chair.

Responsibilities

1. Seek opportunities to grow assets to create better value and greater benefit to our members.
2. Foster long-term financial stability through careful and prudent investments.
3. Advise on the fiscal impact of the organization's current programs, and those that are planned for the future.
4. Advise and coordinate with the various committees, particularly the Development Committee.
